

MARC ANDREI NISPEROS

Malagasang II-B, Imus City, Cavite, Philippines | marcandreinisperos13@gmail.com | +6390 6503 9826

OBJECTIVES

Seeking job opportunities where I can apply my technical skills and academic knowledge to support business operations and contribute to organizational success. Eager to learn, grow, and gain hands-on experience in a dynamic environment while continuously improving my knowledge and technical skills.

SKILLS

- **Programming Language:** HTML, CSS, JavaScript, React.js, Tailwind CSS
- **Tools:** Visual Studio Code, Figma, ChatGPT
- **Microsoft Office:** MS Word, MS Excel

WORK EXPERIENCE

Vantrippers Travel and Tour Website

May - July 2025

Front-end Developer Intern

- Built modern and responsive UI for all devices using HTML, CSS and JavaScript. Developed User Interface Design using Figma.
- Assist on deploying the website and system bug testing.

PROJECT

EBA Shop Website – Capstone Project

Full Stack Developer

- Developed a modern, responsive web application using React.js and Tailwind CSS, optimized for desktop and mobile devices.
- Built the back-end and RESTful APIs with Node.js and Express.js, integrating PostgreSQL for data management.
- Designed and prototyped the user interface using Figma.
- Deployed the website using Vercel for front-end, Render for back-end, and Neon for database.

EDUCATION

Bachelor of Science in Information Technology

Cavite State University - Tanza Campus
